

**AMENDMENT OFFERED BY MR. DAVIS OF  
ILLINOIS  
TO THE AMENDMENT IN THE NATURE OF A  
SUBSTITUTE TO H.R. 5293**

Page 11, strike line 13 through 15, insert the following:

1           “(4) facilitate, in coordination with the centers  
2           for medicare and medicaid services, the provision of  
3           long-term care in home and community-based set-  
4           tings, including the provision of self-directed care  
5           models that—

6           “(A) provide for the assessment of the  
7           needs and preferences of an individual at risk  
8           for institutional placement to help such indi-  
9           vidual avoid unnecessary nursing home place-  
10          ment and depletion of income and assets to  
11          qualify for Medicaid eligibility;

12          “(B) respond to the needs and preferences  
13          of such individual and provide the option for  
14          the individual (or representative, as appro-  
15          priate) to direct and control the receipt of sup-  
16          port services provided;

1           “(C) assist an older individual (or a rep-  
2           resentative, as appropriate) develop a plan for  
3           long-term support, including the selecting,  
4           budgeting, and purchasing of home and commu-  
5           nity-based long-term care and supportive serv-  
6           ices;  
7           (for purposes of this paragraph, the term ‘represent-  
8           ative’ means a person appointed by the eligible indi-  
9           vidual, or legally acting on the individual’s behalf, to  
10          represent or advise the individual in financial or  
11          service coordination matters);”.
